

Elaine Belanger

Public Health Coordinator, North Country Health Consortium

Elaine was born and raised in Berlin and has been living in Gorham for 33 years. She is married and has 2 children, (who she strongly encouraged to have music lessons) and one grandchild. Elaine has been a Licensed Practical Nurse since 1977 and earning a Bachelor of Arts Degree in English Literature in 2002. She served on St Kieran's Board of Directors from 2004 to 2007 and again from 2012 to 2018. Though Elaine has been working in the health field, she is a true believer that art and music are important for a person's well-being.
