

Greg Estrella

Professional Engineer (retired)

A resident of the City of Berlin for the past 45 years, Greg graduated with degrees in both Mechanical and Electrical Engineering and pursued graduate studies in Statistics. He is registered as a professional engineer in New Hampshire and in the Philippines. In addition to serving on the St. Kieran's Board of Directors since 2000, Greg also serves as the Vice-Chairman for the Berlin Zoning Board of Assessment. He is a voting member of the Berlin Planning Board and an advocate for the Knight of Columbus Council 506.
