## **New Repertory Theatre Brings Othello to life at the Arts Center**

**Berlin** – Boston's Classic Repertory Company will be live at the Arts Center at St. Kieran's on Saturday, April 28<sup>th</sup> starting at 7:00 pm. Tickets for the show, \$12.00 for all seats, are available on line ([www.stkieranarts.org](http://www.stkieranarts.org)) for a small additional fee, at the arts center office and at the door on the evening of the show.

Classic Repertory Company takes on this famous tale of race, love, jealousy, and revenge. Featuring live music, and seven young actors taking on multiple roles, this bold adaptation breathes new life into one of Shakespeare's most well-loved tragedies. (Suitable for grades 6 and up)

Classic Repertory Company (CRC) is New Rep's flagship educational outreach program, bringing theatrical experiences to schools, senior centers, universities, summer camps, and presenting organizations throughout New England. CRC produces streamlined, inventive, original 90-minute adaptations of Shakespeare and classic novels. They seek not only to entertain, but to create a space for critical thinking, risk-taking, conversation, and shared experience. Every performance is accompanied by comprehensive study guides, a pre-show introduction, and a post-show discussion with the actors.
